

Quantum Mouldings Ltd, Whitehouse Rd., Kidderminster, DY10 1HT

JOB VACANCY: Trainee - Composite GRP/ Fibreglass Manufacturing.

Initial starting rate of £12.50/hr rising on successful completion of training.

Due to growth, we have an opportunity to recruit a trainee for our GRP (Fibreglass) manufacturing site. We have a successful and proven trainee programme to learn the skills necessary to make and finish high quality GRP / fibreglass parts. No experience is necessary. The successful candidates will show a good work ethic, reliability and willingness and aptitude to learn. Opportunities exist to progress in the company, with training typically completed in three months, leading to full time positions and further development.

We actively encourage applications from all genders, particularly anyone with creative, hands-on skills and an eye for detail.

A safe working attitude is essential, and the successful candidates will learn to produce high quality parts using efficient working practices. It is an opportunity to gain a valuable skill – training, equipment and PPE will all be provided.

Working in a factory environment, wearing PPE is an essential element of this role.

Hours of Work

40 hours per week

Factory opening hours.

Monday-Friday

6:00am – 14:30pm or 7:00am – 15:30pm

Benefits

Factory employees are entitled to 22 days annual holiday plus national holidays (plus additional day holiday for every 5 years of service) and Paycare healthcare plan (includes partner).

How to apply

In the first case please send your CV, with covering email to HR@Quantummouldings.co.uk. We will be in touch to offer interviews to successful candidates within 7 days of application. Vacancies will stay open until the position is filled; applications will be processed on an 'as received' basis.

Please note that all applicants must have a 'right to work' in the UK.

About the company:

Quantum Mouldings Ltd is a key player in the supply of finished GRP (Glass Reinforced Plastic) parts, supplying many markets including automotive, industrial, marine and advertising industries. Quantum are a family-owned business and employ around 40 people on their Kidderminster site. www.quantummouldings.co.uk
